The new I-9 form must be used by all Employers for all of its employees when it takes effect. The U.S. Government will publish a Federal Register Notification announcing the effective date. However, the immigration service encourages all U.S. employers to begin using the new I-9 form immediately.

#### **About Form I-9:**

All U.S. employers are required to complete Form I-9 to verify the identity and employment eligibility of all employees within 3 business days of hiring employees, including U.S. citizens, lawful permanent residents, and other work authorized foreign nationals. The I-9 Form specifies which documents are to be used when determining identity and employment eligibility to work in the U.S.
